

## SPECIAL PROVISIONS

### **ITEM 7370310 - REMOVE AND SALVAGE ELECTRICAL EQUIPMENT**

is modified to read:

#### **REMOVE AND DISPOSE OF ELECTRICAL EQUIPMENT**

##### Description:

The work under this item shall consist of furnishing all labor, equipment and materials necessary to remove and dispose of electrical equipment as shown on the plans, in accordance with Section 737 of the Standard Specifications and as directed by the Engineer. The work under this item shall include, but not be limited to existing pullboxes, conductors, luminaire poles, luminaire mast arms, luminaires, signal poles, signal faces, signal mast arms, mounting assemblies, foundations and conduits as required by the Plans, Specifications and these Special Provisions. All equipment shall be disposed of by the contractor in accordance with local ordinances, and may not be reinstalled on any other ADOT project in place of new materials. The contractor shall ensure that all ADOT identification numbers are removed, such as MU (Maintenance Unit) numbers, and are turned over to the inspector. No measurement or additional compensation will be paid for loading, transporting, unloading, stockpiling or inventory of disposed equipment and materials.

##### Method Of Measurement:

REMOVE AND DISPOSE OF ELECTRICAL EQUIPMENT will be measured as a single complete unit of work.

##### Basis of Payment:

The accepted quantities of REMOVE AND DISPOSE OF ELECTRICAL EQUIPMENT, measured as provided above, will be paid for at the contract lump sum price, which price shall be full compensation for the work, complete in place, as specified and described herein, and as shown on the project plans.
